

E-02 AS-IS Architecture - Source Verified

Commit 44e6cb32 · Generated 2026-08-10T03:43:31Z

Not claimed in E-02

No actuator control · No production-ready custom DMS CarProperty IDs · No multi-instance durability · No ROI/pilot validation

Bedrock/Copilot is explanation layer only; canonical metrics come from JSON/local AI and DecisionEvent contract.
